

Regional Cooperation Council

Co-funded by
the European Union

What are the benefits?

- ↳ To represent your economy's research infrastructure
 - ↳ To shape regional Open Science agenda
- ↳ To travel and see Open Access in action across the EU
- ↳ To create new contacts, partnerships & joint projects
- ↳ To get proof of eligibility when applying for Horizon Europe

IMPORTANT!

EXISTING OPEN ACCESS POLICY WILL BE A PREREQUISITE FOR JOINING THE NETWORK!

Why get involved?

- ↳ To support researcher mobility and brain circulation
 - ↳ To widen your PRO's user base
- ↳ To help generate income from a wider use of infrastructure & facilities

IMPORTANT!

RCC WILL BE SUPPORTING 30 RESEARCH INFRASTRUCTURES TO DEVELOP THEIR OPEN ACCESS POLICIES!

What help is available to develop an Open Access policy?

- ↳ Two dedicated online training sessions on 29th and 30th June 2020
 - ↳ Hands-on consulting support for 30 hosting organisations
 - ↳ Targeted discussions in smaller groups in July 2020
 - ↳ Expert support
 - ↳ Detailed template of a typical Open Access policy
 - ↳ Invitation to the launch of the **Network of Open Research Infrastructures in the Western Balkans**

The Regional Cooperation Council
is establishing a
Network of Open Research
Infrastructures in the Western Balkans

**Unique Opportunity for all Public
Research Organisations**

GET INVOLVED
in shaping the
Network

DRIVE FORWARD
regional
Open Science
agenda
